Tie Blankets

People Serving People provides blankets to families as part of a move-out basket when they find housing in the community. Please consider hosting a blanket making party at your home or workplace to help formerly homeless families settle into their new homes.

DIRECTIONS

1. **Select your fleece blankets.** Use two different fleece patterns, two solid patterns, or two patterned fleece.
2. **Purchase anywhere from 1.5 to 3 yards of each fleece.** 1.5 yards makes a throw size, 2.5-3 yards makes a nice twin size blanket.
3. **Spread out the material.** Spread it out so that the softer or more brightly colored sides face out.
4. **Cut out a rectangle from both corners with a pair of scissors.** Use a card that has been cut to 3" X 5"
5. **Start cutting strips.** Cut strips of approximately 1 inch from each corner down the end and the sides for as long as the material lies flat.
6. **Tie the corner strips together.** Using a simple knot, attach the bottom layer to the top layer.
7. **Tie the strips down each side for the length of the blanket .**
